SURFSIDE POLICE DEPARTMENT

Surfside's officials, residents and visitors share a great deal of pride in the professionalism and devotion to service of the Surfside Police Department (SPD).

The community's commitment to the highest standards in public safety and law enforcement is reflected by the personnel and performance of the SPD. The Town Commission, Town Manager, and Chief of Police work together to fulfill the Town's dedication to always make public safety a top priority.

Town officials have recently taken additional measures to increase the visibility and capabilities of our community's security program. In light of the challenge of recent national and international events, Surfside is being proactive in taking all necessary steps to help insure the safety of our home town.

With an emergency response time of approximately two minutes, high residential patrol visibility, walking patrols in the business and shopping district, strict traffic law enforcement, community policing, beach patrol, youth programs, "SurfWatch", public service aides, and Team Surfside volunteer support activities, plus many more efforts, the SPD strives to keep Surfside safe for everyone.

Surfside is intent upon providing the best possible level of public safety services for everyone in our community. For all residents of the Town, all visitors, and all tourists, the Surfside Police Department is there for you, making Surfside a safe place for you to enjoy a truly great "quality of life." SURFSIDE YOUTH PROGRAMS

The Town of Surfside places a high priority on providing a wide variety of programs and projects for the benefit of our area's youth.

The Town sponsors after-school programs, youth volunteer projects, a summer camp, the "Surfside Kids Club," and many special events such as Bicycle Safety Day, Family Day, Drug Awareness Day, Halloween Festivities, youth concerts, teen and pre-teen dances. The achievements of our community's children are recognized at Town Commission meetings, at special ceremonies, and on our website's schools bulletin board. In addition, the community's youth are involved in the commemoration of important holidays such as Memorial Day, Veterans Day, and Independence Day.

cational facilities, learning conditions, and academic opportunities for all of the area's children.

Surfside initiated and organized the Surf-Bal-Bay After School Sports and Recreation Program, which has become a model for other schools and communities. The program is funded by the Town of Surfside, the Village of Bal Harbour, and the Town of Bay Harbor Islands. The benefits of sports, the arts, recreational activities, and character building are combined in this exceptional partnership between the municipalities and the school.

The Town has also established a "Surfside Kids Club" that has sponsored a number of recreational and educational activities and participated in important public service projects. The Town also carefully maintains its parks, playgrounds, and other recreational facilities for the enjoyment and safety of all Town residents.
